Randonneurs Nova Scotia Long Distance Cycling Club

What is Randonneuring? In a nutshell, randonneur cycling is long-distance non-competitive cycling. Riders “compete” against time, distance, and the elements instead of against each other. The emphasis is on riding as a group, to share the draft and achieve long distances comfortably. Whether you come from a commuting, touring, recreational, or racing background, long-distance cycling offers a new challenge.

Brevet Series: A “brevet” is a special ride, over a pre-set route and distance, which must be completed within designated time limits with check-ins at control points. Your completed brevet control card will be forwarded to the world-wide sport-governing body, les Audax Club Parisien in France, to earn medals to recognize your accomplishment.

We welcome new members. Riders interested in long-distance cycling should be fit and self-sufficient cyclists. Riders should be capable of maintaining their own bicycles and should carry sufficient tools, food, and clothing to complete the ride. For rides that start or finish after dark, proper lighting and reflective clothing is mandatory. We can advise you on equipment selection and gearing choices.

Club membership: You must be a club member to participate in club rides and brevet rides. Annual membership is \$40 per year, or \$15 for those who already hold a BNS general membership card or a BNS racing license. You can find our membership application on our website or you can join the club on any club ride, or phone:
